

2nd HUCI FORUM

“Challenges and Good practices in collaborative education with institutions worldwide in English”

13:00-17:15 on Thu, December 1, 2016

Venue : Central Hall, Clark Memorial Student Center, Hokkaido University

Target audience : Those who will teach in English international collaborative education programs.

Jap. ⇔ Eng.
translations
available

Purpose of the HUCI Forum

The forum encourages a dialogue among members of the Hokkaido University community for an ultimate purpose of addressing the “ten-year vision” of the Hokkaido Universal Campus Initiative (HUCI) .

Purpose of the day

The forum aims to improve the quantity and quality of international collaborative education programs and subjects provided in English. It addresses a variety of issues as well as what is means to engage in good practices.
